### Short Description

Filter replacements for the AirPohoda ERV Device.

### Description

The filter replacements are for the Air Pohoda ERV Device. One of each filter is needed to replace all filters in the units at the same time; however sometimes you don't need a whole set.

8x16x1, MERV 8 - winter filter for supply or exhaust - \$17

8x16x1, MERV 13 - summer pollen filter for supply only - \$22

6x16x1, MERV 8 - bypass filter used in summer only - \$15
